Portable Design

- USB Type-C and HDMI
- Ultra Slim Portable Design

FHD Resolution

PD3 series brings users into a perfect colorful world with FHD 1920x1080, and provides the finest natural and sharp original quality with IPS panel and 100,000,000:1 contrast ratio.

DUAL SCREEN

Dual Screen

View two different windows on the dual screen, making the PD3 perfect for multi-tasking. The second screen can also be folded behind when not in use.

In-Plane Switching technology

In-Plane Switching technology, which is accurate across 178° presents a splendid quality in wide angles. Through the screen, everything is crisp and clear from any angle

Acer VisionCare™

Acer VisionCare™

Acer VisionCare™ technology incorporates several features that take into consideration prolonged usage by heavy users such as programmers, writers, and graphic designers to reduce eye strain and provides a more comfortable viewing experience.

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
