

EMIX H30 GAMING HEADSET & SOLOX F30 AMPLIFIER

PAIRED FOR POWERFUL, IMMERSIVE AUDIO

EMIX H30 Gaming Headset/SOLOX F30 Amplifier

Enjoy virtual 7.1 surround for spatial, multi-directional audio. Switch between four preset sound modes depending on type of game or media being enjoyed. Feel the comfort of EMIX H30 headsets with breathable ear cushions, sturdy aluminum build, and optimized clamping force. And of course be heard and communicate better through the premium detachable mic, with gold plated connectors on everything.

Virtual 7.1 surround

The SOLOX F30 amp connects to your PC via USB to create powerful audio enhancement and spatially-accurate virtual 7.1 channel surround sound.

Situationally-optimized modes

With SOLOX F30, gaming, music, movies, and voice chat modes provide the punch, depth, and clarity you demand, modifying the sound stage to best suit each application.

Speaker or headset output - your choice

Thanks to multiple audio outs, SOLOX F30 can output to headsets and speakers - either separately or simultaneously.
