

LEVANTE X 240

INFINITE STYLE

XPG LEVANTE X 240 All-in-One CPU LIQUID COOLER

An All-In-One CPU Liquid Cooler with industry-leading engineering from Asetek, XPG LEVANTE X provides excellent CPU heat management. This reliable, high performance Liquid Cooling solution ensures smooth system operation for an optimal gameplay experience.

INFINITE MIRROR PUMP DESIGN

LATEST INTEL & AMD PLATFORM SUPPORT

EFFICIENT PWM DESIGN

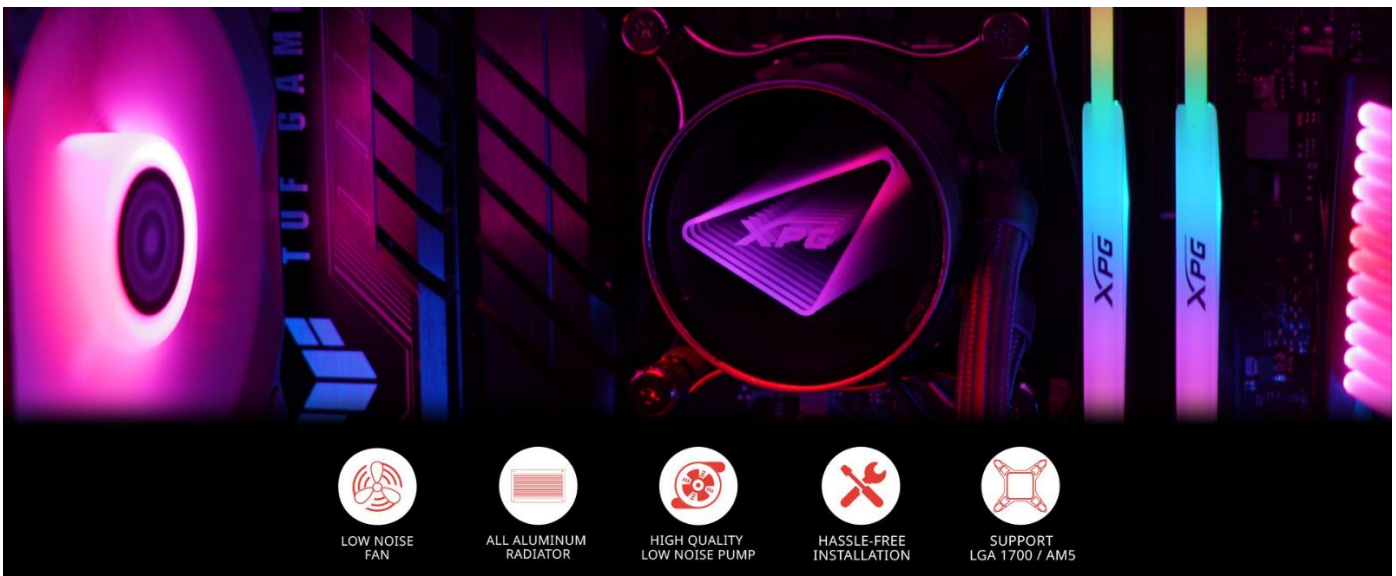

Asetek 7th Gen PATENTED CPU COOLING SOLUTION

Extreme Performance CPU Cooler

Smooth RGB lighting effect

FEATURES

- Reliable High-Performance CPU Liquid Cooler with Asetek Cooling Solution.
- High-Performance pump efficiently dissipates heat from high-end CPUs.
- High-Performance, low noise Dual-Ring 120mm ARGB Fans.
- Universal design for fan & pump RPM control supports all MB brands.
- All-in-One hassle-free installation; no additional setup required.
- Fluid Dynamic Bearing (FDB) Fans with 4-Pin PWM design.

SPECIFICATIONS

Water Block Dimension	72.5 x 50mm
Water Block Material	Copper
Control Mode	PWM (Pulse Width Modulation)
CPU Socket Support	Intel: LGA 1700, 1200, 115x AMD: AM5, AM4
Thermal Grease	Pre-applied
Radiator Dimension	240mm - 272 x 121 x 27mm
Radiator Material	Aluminum
Tube	400mm Sleeved Rubber tube
Fan Size	120mm ARGB Fans
Fan Dimension	120 x 120 x 25 mm
Fan Speed	600~2000 RPM
Fan Static Pressure	1.47mm-H2O
Fan Air Flow	51 CFM
Fan Noise	19.8 dB (A)
Bearing Type	Fluid Dynamic Bearing
Protection	Auto-Restart
Weight	1.79kg
Warranty	5 years
