

The Patriot FUEL Station mini 5-Port USB charger provides an all-in-one solution for powering multiple devices from one wall outlet preventing the headache of searching for spare adapters. With its handy multi-port design, the FUEL Station mini is perfect for charging up-to 5 smartphones, phablets, tablets, Bluetooth speakers/headsets, portable gaming devices, cameras, and other USB powered devices simultaneously.

The FUEL Station mini features SmartPower™ technology which automatically detects the device and supplies the maximum power allowed by the device, up to 2.4A . It is extremely compact and portable so it easily fits into a travel bag or on the nightstand.

Protect your investment. With built in protection against overvoltage, over current, leakage and short circuit, the FUEL Station mini will ensure your mobile device is safe while charging. FUEL Station mini is backed a 2-year Limited warranty and Patriot's premier customer service.
