Logitech®

Harmony® 515

Replace all your remotes with Harmony

- **Replaces up to five remotes**
- **One-touch, activity-based control**
- **Interactive LCD with Help function**
- **Guided online setup, live support**
- **Controls more than 5,000 brands and 225,000 devices**

Logitech® Harmony® 515 advanced universal remote simplifies your home entertainment, replacing up to five remotes with one – reducing clutter and complexity in your living room. One-touch, activity-based control turns on the right devices in the right order – getting you to your entertainment easier and faster than any other remote. And the interactive LCD with Help function makes it easy for everyone in the family to use. Supporting more than 225,000 devices from 5,000+ brands, you can be confident the Harmony remote can control whatever entertainment devices* you have today or buy tomorrow.

* Devices with IR (infrared) capability.
