Microsoft® LifeChat™ LX-3000

Digital USB Stereo Headset | Noise-Canceling Microphone

Take your audio experience to a new dimension with the Microsoft® LifeChat™ LX-3000.

Optimized for Windows Live™ Messenger, this comfortable, high-quality stereo headset gives you the simplicity of USB installation and high-quality digital sound that cannot be matched by analog. Hold clear, private Internet voice calls, enjoy music and movies, and become fully immersed in your games.

Clarity, Comfort, and Convenience

- Digital USB for superior clarity
- Built-in unidirectional microphone with acoustic noise cancellation
- Leatherette ear pads for improved comfort
- In-line volume controls
- Pivoting boom microphone with 180-degree movement
- Flexible 6-foot cable

Optimized For

Windows Live™ Call Button

It's simple to start voice calls. One touch of the Windows Live Call Button lets you see who's online, and you're on your way towards audio chatting.

Easy Audio Switching

Automatic audio switching from music to your audio call. Simply press the Windows Live Call Button when someone calls you, and your music automatically pauses.*

Free Worldwide Internet Calling to Your Online Contacts**

To download Windows Live Messenger, visit <http://get.live.com/messenger/overview>
