Wireless Mouse M205

Plug-and-play simplicity in a portable design

- **Plug-and-play simplicity**
- **Snap-on mini-receiver**
- **Compact design**
- **Intelligent battery management**
- **High-definition optical tracking (1000 dpi)**

The Logitech® Wireless Mouse M205 offers plug-and-play simplicity in a wireless, portable design. Just plug the receiver into a USB port to get started – there's no software to install. The M205 features a snap-on mini-receiver that attaches to the mouse to make packing up convenient, and a design that makes it easy to slip into a bag and take with you. Intelligent battery management delivers months of use and added convenience. The receiver turns off the mouse when attached and an indicator light eliminates surprises. High-definition optical tracking (1000 dpi) enables responsive and smooth cursor control.
