

## SIZE DOESN'T MATTER, SERIOUSLY.

The MH710 is a first in pro gaming: a pair of earbuds that deliver an excellent gaming experience. 10mm Neodymium drivers provide hi-fi sound, while a various selection of ear tips allow you to optimize your fit. Focus FX 2.0 technology allows you to choose between immersive bass or clarity in the mids and highs with the press of a button. Powerful yet portable, the MH710 proves that big sound can come from small packages.

### FEATURES

- **FocusFX 2.0** – Pushing in the FocusFX 2.0 button on each earbud adjusts the sound between stronger bass for greater immersion or a balanced sound signature for the best sound clarity
- **Customizable Comfort** – Various types of ear tips are included to provide the perfect fit for the ear
- **Multi-platform Compatibility** – 3.5mm connection adapts to multiple devices including PC, Xbox One, Playstation 4, Nintendo Switch, and mobile devices.
- **Hi-fi Sound** – 10mm Neodymium drivers housed in a metal enclosure deliver unbeatable sound quality
- **Portable Form Factor** – The small and light form factor of the ear buds are perfect for listening on the go
- **Sleek Styling** – Make a statement without the sound and fury; superior audio performance is heard, not seen.
