

At Home or On the Go

Use your iPad anywhere with the stand that transforms from small and portable to safe and supportive at the push of a button. Holds your iPad in either landscape or portrait view.

FlipBlade™

Support your iPad with a portable folding stand

Small but Sturdy

This compact stand is as minimal as it is strong. Durable material provides a firm base for your device that won't weigh down your bag or backpack. Get the on-the-go iPad stand that transforms from ultra-slim to supportive at the push of a button.

Features:

- Slim, compact form factor
- Firm aluminum body for extra stability
- Use iPad in landscape and portrait modes

Benefits:

- No need to use your two hands to hold your iPad anymore.
- Ultra-compact and light for maximum portability
- Rotating opening system
- Enable use in landscape and portrait orientation
- Provide a solid support in a surprisingly small package
- No assembly required
