

NOKIA 105

Talk when you want, for as long as you want.

What do vacations and battery lives have in common? The longer they last, the better. HMD 105 has a 1000 mA¹ removable battery that lasts for up to 18 days on standby.² So, whether you're at work or on holiday, there's time to talk.

One solid look

The stylish streak that runs across every edge of the phone seems like it's just a design choice, when in fact, it's actually a solid inner frame that gives it some real toughness. Whether you choose the Charcoal, Purple or Blue color, and HMD 105 feels both new and familiar.

Work hard, play harder.

On the practical side of things, there's a voice recorder³, a dual LED flashlight, and room for up to 2000 contacts. But here's the fun part: there's an FM radio, MP3 player³, and of course, the Snake game. What more do you need?

Big buttons. Big screen. Big thumbs-up.

Bigger isn't always better – but it is when you're talking about screen size. The 2.0" display is a big step up from the 1.77" display on previous models. Combine this with a large, tactile keypad and HMD 105 is simply a pleasure to use.

Colours

Product specifications:

Networks:	GSM/GPRS 900/1800
OS:	S30+
Variant:	Dual SIM
CPU:	6531E
Storage:	4MB + 4MB ⁴ (RAM/ROM), Micro SD slot up to 32 GB
Display:	2" QQVGA
Connectivity / sensors:	USB Type-C™ and 3.5mm AV jack
Battery:	1000mAh ¹ battery.
Audio:	FM radio & MP3 ³
Camera:	-
Dimensions:	115.5 * 49.2 * 14 mm
SIM card type:	2FF (Mini SIM)
Battery times:	Stand-by time: up to 18 days. ² Talk time: Up to 14h in laboratory Conditions
Other:	IPX rating: IP54, Dual LED torch

Sales package contents:

- Device
- Battery
- USB A – Type C (Europe except for AL ME MK RS, + ANZ)
- Charger (only in AL ME MK RS)
- Quick guide
