Outdoor Video Security Add-On Camera

- **Easy setup**
- **Weatherproof, waterproof design**
- **Flexible PC-viewing options**
- **Motion-activated cell-phone* and e-mail alerts**
- **Free remote viewing via the Internet**

The Logitech® Outdoor Add-On Security Camera extends the power and reach of your Video Security Master System so you can easily monitor entrances and driveways. Easy setup gets you up and running fast for immediate viewing – no new wires to run, no network configuration. The weatherproof, waterproof design ensures year-round use, even under harsh conditions. Flexible PC-viewing options let you see live footage or store it on your hard drive for later replay. Motion-activated cell-phone* and e-mail alerts quickly update you when you're on the go. Free remote viewing via the Internet allows you to log into a secure, Web-based account to view live video online – anywhere, anytime.

* Local Internet or mobile-phone operator must support e-mail to SMS. Additional fees may apply.
