Push productivity to the edge.

DELL ULTRASHARP 25 MONITOR | U2518D

See the whole picture
Virtually borderless —
made for multitasking.

Get it all done
Effortless to use.
Easy on the eyes.

Lifelike visuals
Rich colours, high contrast,
brilliant images — Dell HDR.**

Highly reliable
Dell monitors — the number 1
monitor brand worldwide for
four consecutive years.*

Push productivity to the edge.

SEE THE WHOLE PICTURE

Ultimate efficiency — a 25" screen with incredibly thin bezels — ideal for multiple monitor setup.

- Broaden your horizons: The expansive 25" screen features InfinityEdge, a virtually borderless display on all four sides that lets you see more of your work.
- Multiply your productivity: Hone in on your work with a multi-monitor setup. With seamless bezels and DisplayPort connectivity, using multiple monitors has never been easier.
- Enjoy the details: View clear images with QHD (2560 x 1440) resolution — nearly twice as crisp as Full HD displays. With excellent colour consistency across a wide 178°/178° viewing angle, you can easily work and collaborate.

LIFELIKE VISUALS

Images with striking depth captivate your attention and give each job a gorgeous finish.

- A captivating sight: Dell HDR** combines greater depth of colours, remarkable clarity and a high contrast range of shades to create strikingly realistic images.
- Colour consistency comes standard: Factory calibrated at 99% sRGB coverage to an accuracy of Delta-E < 2, for precise hues right out of the box. Each monitor features a factory calibration report that guarantees colour correctness, so you can trust your projects reflect true colour intensity.
- Uncompromised images: View your HDR10 content*** like it was meant to be seen. Even your HDR photos will look like the real thing.

GET IT ALL DONE

Multitask in comfort — multiple productivity-boosting features.

- Multitasking made easy: Tackle multiple tasks at once when you choose a multi-monitor setup facilitated with DisplayPort connectivity.
- Designed with you in mind: Customise your view with a fully adjustable stand that tilts, swivels, and rotates 90° clockwise or counter-clockwise.
- Easy on the eyes: This monitor has a flickerfree screen with ComfortView, which filters out harmful blue light emissions to optimise eye comfort.

SUPERB RELIABILITY

Comes with Dell's high reliability promise.

- From the #1 monitor brand worldwide for four consecutive years*
- Enjoy peace of mind with Dell's Premium Panel Guarantee.[1]
- Minimise downtime with Dell's Advanced Exchange Service.[2]
