

HyperX Clutch Tanto Mini WD Gaming Controller (8B1S0AA)

Overview

Perfectly sized for younger gamers.

Younger Xbox players and gamers who just want a smaller, more portable controller, the HyperX Clutch Tanto is your weapon of choice. The HyperX Clutch Tanto Gaming Controller is a compact, officially licensed wired Xbox controller with room for all the standard buttons and controls. Weighing just 5.8 ounces (165g), it's easy to fit in a backpack or pocket for some after-school battles. Plug it directly into Xbox Series X|S consoles using the USB-C to USB-A cable, and you can also use it to control your favorite games on PC, Steam Deck, or compatible Android devices¹. It also features a 3.5mm stereo jack so you can easily connect your favorite wired headset, so you can be sure that you'll have the setup you need to succeed, even when you're not at home.

Officially Licensed for Xbox^[4]

The HyperX Clutch Tanto is fully compatible with Xbox Series X|S and Xbox One consoles, PC, and compatible Android devices^[1].

Small form, full function

This capable controller keeps all of the standard buttons, inputs, and rumble motors so you don't have to sacrifice functionality to enjoy comfort.

World's lightest wired mini controller licensed for Xbox^[3]

The Clutch Tanto is designed to be the controller of choice for younger gamers^[2] and players with smaller hands featuring a compact form that weighs just 5.8 ounces (165g).

Versatile multiplatform compatibility

Connects directly to Xbox Series X|S consoles using the USB-C to USB-A cable, or control your favorite games on PC, Steam Deck, or compatible Android devices^[1].

^[1] Compatible with Android 10+ devices with a USB-C connection.

^[2] Recommended for users age 8+.

^[3] Based on HyperX's internal analysis of wired controllers licensed for Xbox marketed as mini. Lightest based on advertised weight as of Jan 2024. Weight of controller only, not including USB cable.

^[4] Microsoft, Xbox, and Xbox "Sphere" Design are trademarks of the Microsoft group of companies. All other trademarks are the property of their respective owners.
