

# HP Pro Pen

## A durable digital pen that doubles as a mouse

Take notes, navigate, draw, doodle, and edit onscreen with the resilient, multifunction, long-life HP Pro Pen.

### Clickable functions for easy onscreen interaction

Use the active pen to select items and navigate and erase content with right-click, left-click, and double-click functions. Work without worry about wear and tear—the pen's cone tip is designed for minimal breakage.

### Long battery life keeps you productive over 11 months<sup>1</sup>

Work for almost a year<sup>1</sup> on one set of AAAA batteries and conserve battery life with an automatic sleep mode that activates after two minutes of idle activity.

### A natural, comfortable writing experience

Hold and write comfortably with an easy-grip texture and familiar length.

### Close at hand when you need it

Keep track of the pen with a slant design that doesn't roll off the desk. Pair with the tether to ensure your pen is where you need it, when you need it.

<sup>1</sup> 11.7 months battery life based on active use of 3 hours per day.
